Full Stack Bootcamp Certificate
University of Denver
October 2022 - April 2023

BA in Classics
University of Puget Sound
2010-2014

PROFILE

Full Stack Web Developer with a background in non-profit work and life-long dedication to learning. Effective at combining creativity and problem solving to develop user-friendly applications. Known among staff for strong communication and attention to detail no matter the complexity of the project.

EXPERIENCE

LEAD BAKER

Sugar Time Bakery | September 2021 - Current

- Work with 1-2 other bakers to fulfill weekly baking tasks, including over 15 regular case items
- Responsible for fulfilling all weekly orders from local restaurants.
- Evaluate weekly work load and create detailed daily tasks list to keep projects on track
- Help train new employees, providing knowledge on the science behind the bake and best practices in the bakery

PROGRAM DIRECTOR

Parkinson Association of the Rockies | March 2018 - May 2021

- Served as the Program Coordinator for two years before being promoted to Director. Responsibilities included organizing all educational content, establishing and maintaining all exercise classes, and serving as liaison to all support groups throughout Colorado
- Planned and oversaw use of 74% of annual budget
- Increased programming each year by 5-7% while streamlining planning and marketing processes
- Worked closely with other departments to develop and edit marketing materials with accurate information and a professional appearance

SECONDARY ENGLISH TEACHER AND TEACHER TRAINER

Peace Corps Indonesia | March 2015 - June 2017

- Co-taught over 1000 students during my two year service
- Responsibilities included collaborating with fellow teachers, implementing daily engagement practices, and cultivating a safe learning environment
- Organized and co-facilitated an annual boys and girls leadership camp for 50-60 students focused on building knowledge around leadership, teamwork, health, diversity, and environment
- Helped local turtle sanctuary successfully apply for Peace Corps Partnership Program grant and implement grant requirements

PROJECTS
